## HAVE YOU CATARRH?

Breathe Hyomei and Relief and Cure Will Be Guaranteed.

If you have catarrh, with offensive breath, burning pains in the throat, difficulty in breathing, raising of mucus, discharge from the nose, tickling or dropping from the back of the throat, coughing spasms, etc., begin the use of Hyomei at once.

Hyomei is made from nature's soothing oils and balsams and contains the germ-killing properties of the pine woods. Its medication is taken in with the air you breathe, so that it reaches the most remote part of the respiratory organs, killing all catarrhal germs and soothing any irritation there may be in the mucous membrane.

The complete Hyomei outfit costs but \$1.00, and Richard & Wells of the Red Cross Pharmacy give their personal guarantee with each package that money will be refunded unless the treatment does all that is claimed for it.

## ABOUT THE STATE.

Items of Interest Gleaned From Our Exchanges.

The strike of slate workers at Fair Haven and vicinity has entered on its third month with the unions refusing to entertain propositions made them.

The closing of the stores evenings at South Shaftsbury has thrown the social life of the village in a turmoil. Those who were in the habit of passing their evenings about the stores are all at sea.

George H. Hazeltine, a prominent Boston merchant and for seventeen years a resident of Winchester, Mass., will die recently of organic heart trouble, was born in Danville 40 years ago but went to Boston when a young man and established himself in business.

The entire west part of the town of Charlotte is said to be underlaid with slate rock, coming to the surface in many places, and with abrupt western facing along the shore while in the east part of the town are extensive outcroppings of lime stone and marble.

W. C. Pierce ("Sunshine Willie") formerly of Bennington, bears a charmed life. It develops that he was smoking in a car of gunpowder, that the powder exploded, and blew the car to smithereens but "Willie" was not killed and may recover. He is now in the Massachusetts General hospital at Boston suffering much from his injuries.

## WEDDED 51 YEARS.

Mr. and Mrs. E. J. Hawley of Manchester Received Congratulations.

Manchester, June 12.—Assisted by relatives from Bennington and a few of their townsmen, Mr. and Mrs. E. J. Hawley observed the 51st anniversary of their marriage at their home in this village Tuesday.

Both are natives of the town and have always resided here. Mr. Hawley is a direct descendant of Jabez Hawley, who served as an ensign and later as a lieutenant in the War of 1812. His wife, whose maiden name was Walker, is descended from one of the oldest families in the country.

Mr. Hawley was for a number of years one of the leading business men of this county. He was among the pioneers in the marble business, having opened one of the first quarries in this town and Dorset, but retired from active business several years ago.

The couple were the recipients of many congratulatory messages and a number of souvenirs.

## Reciprocity.

A successful teacher, who is loved as well as admired by her pupils, says that during her first year of teaching she received a little lesson which taught her what St. Paul probably meant by the "foolishness of preaching."

In the middle of a term one of her pupils was obliged to leave school, as the family was about to move out of town. When the teacher said good-by to the little girl who had been an intelligent and well behaved pupil, she felt moved to add a few words of advice.

"If I never see you again," she said with much earnestness, "I hope you will never forget to do your best wherever you may be, and whatever tasks you are called to perform. I hope you will always be an honest, upright woman, truthful and brave."

"Thank you," said the little girl, her round, eager little face upturned to her teacher, "and I hope you'll be the same."—You'll be Companion.

## YOUR HAT

May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that's "in style," but the modern hat for men has lots to answer for.

Baldheads are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of dandruff it is a sure sign that these countless germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbros' Herpicide to the scalp—it will kill the germs and healthy hair is sure to result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes—25 cents and \$1.00.

## A Continued Conversation.

Congressman George W. Smith, who has been representing the southernmost district of Illinois in Congress ever since John H. Thomas got tired of the job, twenty years ago, was campaigning around Murphyboro one time in a buggy. With him was a driver. They came to a bridge over the Big Muddy river. The sight of water naturally suggested fish.

"Do you like fish?"

"Yes," was the reply.

Nothing more was necessary and nothing more was said. However, when the next campaign came round Congressman Smith went over the same territory, at the same time of the year with the same driver. Again they crossed the big muddy and again the sight of water suggested fish.

"How?" Asked Congressman Smith.

"Fried," said the driver.—Judge.
